Authorizing Editor/Producer (Print or Type Name) _____

I agree to provide InterventionCon management with a print or electronic copy of my report, article, segment or podcast about InterventionCon, including any interviews conducted and any photographs used in the final product, for the InterventionCon archives. I understand that InterventionCon is NOT requesting editorial privilege and that interventionCon will request permission before reprinting or rebroadcasting the material you provide to us in any publication or electronic venue under our control. If you provide us with a link to your online publication or show, we will be happy to publish the link on the InterventionCon website if manpower and space allow.

Media representatives will be issued a badge with their publication or show's title and the representative's name on the front, along with the word PRESS. See the Intervention Press Pass Policy for a more detailed explanation. Please understand that applying does not guarantee you will be given a press badge and a follow up email confirming you are accepted for press will be sent. Please e-mail this completed form to Press@Interventioncon.com.
